AKSHAY KRISHNA

MERN STACK DEVELOPER

DEAR HIRING MANAGER,

I am writing to express my interest in the position of Web Developer with javascript core. I am a quick learner and willing to try new things and also a team player and I am always looking to help out my team .

I've certified in React and Node JS with JavaScript and TypeScript. I have developed numerous web applications with an impressive range of features and functionalities. I am well-versed in current technologies and AJAX. Moreover, My portfolio includes working on projects from scratch to completion along with debugging existing code to ensure its accuracy.

I am a highly motivated individual who enjoys tackling any challenge that comes my way. I believe that my technical expertise and dedication can help you achieve your goals quickly and efficiently. My resume is attached for your review; I'm confident that I can be an asset to your team and I look forward to hearing from you.

SINCERELY,

Akshay Krishna
